GUIDE TO EXHIBITING

**This guide is intended to help the novice understand the basic guidelines for exhibitors.
If you require further information please ask the Show Secretary.**

Veg/Fruit/Plants/Flowers:

- All classes are open to male and female exhibitors of ANY age, except for Section K (children's classes)
- Big is not necessarily best, more important is freshness and blemish-free. Look for uniformity of size/colour when exhibiting several of one variety
- Each entry in classes 1 to 15 and 42 to 45 shall comprise one cultivar only
- Stalks to be included on all fruit and vegetables. e.g. Apples, Pears, Raspberries, Runner & French Beans and Tomatoes
- Cabbages need to include 50 mm of root stalk and only discoloured outer leaves should be removed
- Do not polish fruit. Leave the bloom intact. Handle by the stalk only
- Do not remove thin root strands from the end of vegetables, all root crops may be tied & foliage trimmed to approx. 75 mm
- Sweet Corn to have the husk left on but with a small strip of corn showing
- Exhibit Onions and Shallots in a tray or dish of sand or on rings or collars. Cut the stalk and tie neatly using uncoloured raffia. Trim the roots but do not over-skin
- **Definition of Cultivar:** a "cultivated variety" or simply a "variety"
- **Definition of Dish:** A specified number of a fruit or vegetable constituting one item which may be displayed on a table or on a stand or on a receptacle of any material and of any shape. Unless specially permitted by the schedule, a dish must consist of one cultivar (variety) only
- Ensure that the base of the stem of Cacti and Succulents is not marked and that the pot diameter for Cacti is slightly bigger than the plant
- Guide to Dahlia flower sizes: Giant over 260mm diameter, Large 220-260mm, Medium 170-220mm, Small 115-170mm, miniature not exceeding 115mm and Pompon not exceeding 52mm diameter
- Please state the variety on produce entries, using a small card placed with or beside the exhibit. This is not compulsory, but it adds interest for visitors and could be decisive in close competition
- When cooking, follow a recipe exactly, unless the schedule invites you to use your own initiative
- Allow yourself plenty of time to set up your exhibits, observe the way that others exhibit their entries. Take particular note of the winners! Do ask if you are unsure of what the judges will be looking for

Specialities:

- Jars and lids should be plain, with no manufacturer's name or advertising
- Cakes should be covered in cling film (be careful not to get cooling rack marks on the top of your cake)

Enjoy the Show. You'll be surprised at what you can achieve.
