### News from the AGM

Our AGM on 7<sup>th</sup> April was well attended and we had some welcome new faces. A few regulars contacted to say they could not make it for health reasons and were greatly missed.

### Summary of news:

- Jayne Page has joined the committee and has agreed to run the store with help from Richard Guppy & Sandra Halstead. She will liaise with Bernard Thorington on store deliveries
- Members have told us they want WAGS to be more social, so we plan to have informal meetings for members to share gardening knowledge and tips; as store manager, Jayne has offered to arrange these.
- Barbara Caistor also offered to organise some visits – please support these as they are a lot of work to organise. Hopefully we will hear more in the next newsletter, or even before (look out instore and on the website!)
- Toni Littledale has agreed to trial being secretary

### Plans

- We want to increase membership by increasing awareness of WAGS, and ensure we are offering what members want
- The store made a small loss this year, mainly due to lower stock sales, so a target this year is to increase stock sales. We are relying on you to tell us if there is something we don't stock that you would in fact like to buy from WAGS

### Important roles still to fill

- Publicity officer to help drive up membership and get people to come to the Show / Store, by submitting articles to local publications, for example, and putting up flyers in town when we have events
- To avoid making a loss, the Show needs sponsorship and so we need someone willing to approach local businesses and ask for sponsorship (in the form of cash!) – if you can help, please contact Sandra

So WAGS lives to serve another day, and the committee are very happy, as we know all members will be. A big **THANK YOU** to all those talking on new roles this year!

## **Madam Chairman's Piece**

I am so pleased that through the support of members we have managed to plug nearly all the holes we had and can therefore continue as a society.

Three people have left the committee this year, Colin (Store manager), Sam Timmins (Secretary) and Frances Watkins. I would like to take this opportunity to thank them on behalf of the committee and members for all the work and support they have given WAGS over so many years – it really is appreciated. Denise Irwin is also leaving the committee, but we hope she will continue submitting articles for the newsletter when she has time.

**Plant sale on Saturday 6th May:** This is our next event, starting at 9am. We hope to have a wide selection of veg this year, as well as great value summer bedding and perennials. Annuals will include Gazania, Impatiens (busy lizzie), Trailing Lobelia, Petunias, Antirrhinum (snapdragon), Verbena, Cosmos, Asarina and Morning Glory.

The sale is so much better when members bring their spare plants and take home new plants to try – so please bring a donation or two (or ten!) on Saturday morning, ideally before 9am.

Please do support the sale, as the funds really help WAGS, particularly in covering some of the costs of the Autumn Show.

## **Store Report**

After just a few months it is clear that the Store is loved and used by a few WAGS members and that canes, seed potatoes, onion sets, fertiliser, vermiculite, seed trays and compost are the most popular items.

We are open 11am-12noon most Saturdays and I do need more customers please! Not just because the Society needs the trade but also because I enjoy meeting, hearing and sharing the delight we have in our gardens and allotments - as well as what we are planting up / working on / tidying up / planning.

I will be manning the store on the following dates:

May 6th and 13th

June 10th and 24th

July 22nd and 29th

Sept 2nd and 30<sup>th</sup>

Oct 7th and 14<sup>th</sup>

Nov/Dec - TBC

Richard Guppy has volunteered to do another Saturday each month and Sandra Halstead hopes to fill as many of the gaps as possible. We will aim to keep the website updated with dates the store is open, and pin them on the store window.

There is a lot of stock that remains unsold and I will be tabling a decision at the next committee meeting to sell this on eBay / at a car boot sale so that we can write it off and stock other items that will sell. Before we do so, we will circulate a stock-list to give members the opportunity to reserve any items to collect on their next available Saturday. Details will also be in store for those not online.

**NEW email ordering system:**

May-July I will be trialling a new email ordering system for members; email me before Saturday 10.30am and I will prepare the order and drop it off to you by car on the same Saturday between 12.30 and 1.30 at no extra cost.

**Note:** This will only be available on the Saturdays I will be in store (see above)

I do love our Store and look forward to meeting more of you; thank you for your continued support. Your ideas are very welcome. Please do drop me a line or pop into the store.

Happy Gardening!

**Show Time**

The 2017 show will be on Saturday 9th September, opening at 2pm for viewing.

I've said it before, but I will say it again, cos it worked last year (6+ new entrants) – if you haven't tried before then this is your year to enter something and have a go! All the newbies last year told me they really enjoyed themselves!

We would love to have more children enter and Ros Lester our new President is keen to see what she can do to make this happen. If you have any suggestions, please let me know.
